

# Cabrillo Reads!

## *Frankenstein*

A year long celebration of a novel sponsored by the Cabrillo College Honors Transfer Program

Cabrillo will be joining worldwide celebrations with a year-long exploration of the novel with film nights, presentations and other events.

To make this happen, I need your help!

2018 marks the 200th publication anniversary of *Frankenstein*, the most widely-taught novel in American colleges and universities due to its complex, timeless and interdisciplinary approaches to questions such as:

How does technology define us?

What does it mean to be human?

How do women resist marginalization?

What can we learn from the outcast?
